COCKTAIL BAR & KITCHEN

WELCOME TO SELENA

In the heart of Sheffield, Selena is a modern cocktail bar built around expertly crafted drinks and a vibrant atmosphere. From perfectly executed classics to signature cocktails that deserve the spotlight, alongside fine wine, local brews, lagers and IPAs, it's a place for lively evenings, relaxed conversations and nights that naturally run late.

At the bar, classic and original cocktails are created by expert mixologists, delivering every drink with precision and passion. The space is stylish yet easy-going, welcoming everything from casual after-work drinks to full evenings spent socialising.

Food is cooked over a coal-fired grill and inspired by bold Mediterranean flavours, designed to sit perfectly alongside our cocktails and considered wine selection. Whether you're sharing plates or settling in for the night, the menu complements the Selena experience.
